Art-Design-Object with strong graphic lines reducing this sensorial aspect to its deepest intimacy, leading us to the art of literature, as well as playing a functional role as a ceiling lamp and/or highlighting a specific element of a space. Its naturally rusty material, iron, and the placement in the space in a vertical line emphasizes the purity of its message.

Art-Design-Object de fortes linhas gráficas que reduz o aspeto sensorial ao seu mais íntimo, transportando-nos para a arte da literatura. O material usado, ferro oxidado naturalmente e o seu enquadramento no espaço, em linha vertical, enfatiza a pureza da sua mensagem.
