TREILLIS table

Mokki Design
by Mónica Pinto
2015

Treillis table lamp reflects its inspiration that comes from the memories of the designer as an "Atlantic Ocean person" where the image of the seaport cranes is a part of her visual and emotional memories till these days. The twisting shapes and angles and the monochromatic feature gives strength and timeless design.

O candeeiro de mesa Treillis reflecte a sua inspiração que vem das memórias do designer como "pessoa do Oceano Atlântico" onde a imagem das gruas dos portos marítimos faz parte das suas memórias visuais e emocionais até aos dias de hoje. As diferentes formas, ângulos e a característica monocromática confere força e um design intemporal.
